Description of Amendments in This Packet

L.008

Bill Sponsor Amendment **L.008** (attached) amends the Transportation, Housing, and Local Government Committee Report (02/25/25) in order to strike the "amnesty" provision, Section 3 of the bill. Section 3 allowed for the nonpayment of back taxes, fees, or penalties if the person qualified. Additionally,

amendment **L.008** makes technical corrections, and eliminates the FY 2026-27 appropriation to the Department of Revenue.

L.009

Bill Sponsor Amendment L**.009** (attached) amends **L.008** to change the notification of dismissal provision that was added by the Transportation, Housing, and Local Government Committee Report. The bill, as amended by the committee report, requires the citation or summons to have a notice that explains the opportunity and requirements to dismiss a registration related violation. Amendment **L.009** requires a notice but does not specify the form and allows the notice to be given orally if there is no e-ticketing system, but requires a notice on the e-ticket if such a system has been implemented. Legislative Council Staff and JBC Staff agree that this amendment does not have a fiscal impact.
