48 Pursuant to the authority vested in the Governor of the State of Colorado
49 and, in particular, pursuant to Article IV, Section 2 and Article IV,
50 Section 9 of the Colorado Constitution, and as recognized in Article V,
51 Section 7, I, Jared Polis, Governor of the State of Colorado, hereby find
52 that the following extraordinary occasions exist to convene the
53 Seventy-Fifth General Assembly to meet in special session, and to take
54 other actions including a hiring freeze, to address the fiscal crisis caused
55 by recent federal action.
56

I. Background

On July 4, 2025, President of the United States Donald Trump signed H.R. 1 into law through the reconciliation process. H.R. 1 will cause an immediate and significant negative impact to State revenue – reducing State revenue by over \$1.2 billion in the current Fiscal Year, and by approximately \$700 million in Fiscal Year 2027 and Fiscal Year 2028.

While the General Assembly passed and I signed a balanced budget on April 28, 2025 for Fiscal Year 2026, because of federal tax changes for the current year that were subsequently passed by Congress but retroactively applied, the State budget is no longer balanced for the current year, no longer has a surplus under the Taxpayer's Bill of Rights (TABOR), and in fact faces a significant shortfall. The Office of State Planning and Budgeting (OSPB) projects the deficit for the current fiscal year to be \$783 million. Changes to State law are needed immediately to ensure the State's financial solvency and to re-balance the State budget in order to protect basic services that Coloradans rely on, including education, transportation, health care, and public safety.

The loss of revenue to the State of Colorado is largely due to increased tax deductions for corporations; OSPB estimates 70% of the revenue loss is from corporate tax cuts. Colorado's revenues are linked to federal tax policy changes more than most states due to Colorado's use of Federal Taxable Income and a characteristic known as "rolling conformity," which means that federal tax changes are automatically adopted into the State's tax code.

H.R. 1 also imposes increased expenses on the State, largely by shifting costs from the federal government to Colorado. Programs most impacted include the Supplemental Nutrition Assistance Program (SNAP) and Medicaid, due to Provider Fee reductions, newly-imposed work requirements, and additional requirements imposed on State and local governments to redetermine eligibility for Medicaid recipients more frequently. These expenses are anticipated to be between \$50-\$100 million in Fiscal Year 2027 and grow to nearly \$1 billion by 2032.

When accounting for the loss in federal funds due to H.R. 1's changes to Medicaid and SNAP, the impact on Colorado could total more than \$3 billion.

State government must take a holistic view of costs and revenue impacts to the State from H.R. 1. As a result, the Governor's Office looked to tax expenditures which are demonstrably ineffective, uncommon among other states, are not meeting their legislative intent, have a low return on investment, or do not align with the pro-growth goals of Colorado tax policy. I am calling this extraordinary session to ask the Colorado General Assembly to take immediate and needed TABOR-compliant action in a number of crucial areas to address the financial challenges the State is facing due to H.R. 1, re-balance the State's budget to ensure proper financial management, and preserve, as much as possible, critical State services and benefits for Coloradans. I am also asking the General Assembly to take action related to preserving access to health services, tackling the growing cost of private health insurance on the individual market, and addressing the impending and costly implementation of artificial intelligence (AI) legislation.

1 At the same time as we ask the General Assembly to act, I am also
2 ordering State agencies to take immediate action to reduce costs. This
3 Executive Order directs State agencies to implement a hiring freeze,
4 effective August 27, 2025, and extending through December 31, 2025.
5

6 This call for an extraordinary session of the General Assembly
7 does not prescribe the specific form that the legislation should take;
8 however, as required by Article IV, Section 9 and Article V, Section 7 of
9 the Colorado Constitution, the business to be transacted at this special
10 session shall be limited to the matters stated in Section III of this
11 Executive Order.
12

13 II. Purpose and Need

14

15 H.R. 1's immediate impact on Colorado's budget and ability to
16 provide essential government services is severe. The State faces an
17 immediate, dire budget shortfall that must be addressed as soon as
18 possible to avoid even more severe actions in the future. I urge the
19 General Assembly to consider and pass legislation that honors the
20 difficult budget balancing work that occurred last session and makes
21 needed policy and programmatic changes to preserve funding for several
22 of Colorado's most critical services while meeting our constitutional
23 obligation to balance our State budget.
24

25 Current statute addresses the impacts when the State is facing a
26 significant revenue shortfall; it delineates that if the State would use more
27 than half of the reserve, the Governor must submit a plan to keep the
28 State from using more of the reserve. Historically, the reserve was 4%.
29 Over the past 14 years, the General Assembly has recognized the need for
30 a stronger reserve to protect critical State services during an economic
31 downturn. The reserve currently sits at 15%, but the statute has not been
32 updated, meaning that the State would need to spend \$1.22 billion to meet
33 the current threshold. OSPB anticipates a 50% likelihood of a recession
34 in the coming year. Joint Budget Committee staff estimates that in the
35 face of a moderate recession, the State would need an 18% reserve to
36 weather the storm for two years. The General Assembly must take action
37 to ensure the statute reflects the changing reserve and ensure that the
38 State remains fiscally solvent in the face of a potential recession.
39

40 H.R. 1 makes significant changes to the structure and funding of
41 SNAP. SNAP provides needed benefits to Colorado's most vulnerable
42 populations and a significant economic impact to the State as a whole. It
43 provides benefits to low-income families to supplement their grocery
44 budget so they can afford nutritious food for their health and well-being.
45 SNAP is distributed to participants in Colorado through the Electronic
46 Benefits Transfer (EBT) system, which sends money to benefit cards that
47 participants can use for SNAP-approved groceries at participating
48 retailers. Prior to the passage of H.R. 1, over \$120 million in SNAP
49 benefits provided to Coloradans each month were 100% federally funded.
50 In addition, the federal government covered 50% of Colorado's
51 administrative costs for SNAP.
52

53 With the changes to SNAP in H.R. 1, the federal administrative
54 cost-sharing match will be reduced from 50% to 25%, creating a budget
55 impact of nearly \$50 million annually. Additionally, beginning in October
56 2025, the federal government will begin a one-year measurement period

1 to calculate Colorado's Payment Error Rate. This Payment Error Rate will
2 be used to determine the State's share of funds that must be contributed
3 to SNAP, meaning the federal government will likely no longer fund
4 100% of Colorado's SNAP benefits. The General Assembly must take
5 immediate action during this extraordinary session to find avenues to
6 continue funding this crucial program that helps low-income families
7 afford groceries.

8
9 H.R. 1 negatively impacts health care as well. The targeted cuts to
10 Medicaid will create more health care deserts in rural Colorado and raise
11 insurance rates for everyone. H.R. 1 prohibits a federal match for services
12 delivered to I.R.C. § 501(c)(3) nonprofit organizations that are classified
13 as essential community providers that are primarily engaged in family
14 planning services, reproductive health, and related medical care; provide
15 for abortions beyond Hyde Amendment exceptions; and received more
16 than \$800,000 in Medicaid payments in 2023. Coloradans who depend on
17 these essential community providers, not only for reproductive health care
18 but also to receive cost-saving preventative care and cancer screenings,
19 will lose critical access to health care services. At the state level, we can
20 amend State statutes to ensure Medicaid beneficiaries can continue to
21 access care at these essential community providers. This is an immediate
22 need and a simple fix to ensure all Coloradans have access to affordable
23 health care, despite the federal government picking and choosing which
24 providers can receive Medicaid payments for high-quality covered
25 services.

26
27 In addition, Congress's failure to extend enhanced Health
28 Insurance Premium Tax Credits, established by the American Rescue Plan
29 Act of 2021 (ARPA) and extended by the Inflation Reduction Act of 2022
30 (IRA), in concert with the 2025 Marketplace Integrity and Affordability
31 Final Rule and individual market changes set forth in H.R.1, will have a
32 significant impact on health insurance rates in Colorado's individual
33 health insurance market, as well as broader market impacts. July 2025
34 rate filings by insurance carriers with the Colorado Division of Insurance
35 are, on average, 28% higher than 2025 rates with some requested rate
36 increases on Colorado's Western Slope of almost 40%. While the State
37 cannot extend federal premium tax credits, we can add funds to
38 Colorado's Health Insurance Affordability Enterprise (HIAE) in order to
39 mitigate the impact of these extraordinary individual health insurance
40 requested rate increases on individuals and families across the State.
41 Without this additional support, projected coverage losses will be
42 devastating for families and the health care system.

43
44 As a result of H.R. 1, in addition to the areas outlined above, we
45 must look at all cost burdens statewide and ensure our State agencies can
46 continue to provide critical and necessary services to Coloradans. This
47 moment requires the State to ensure efficiencies and reduce burdens
48 wherever possible. SB24-205, "Consumer Protections for Artificial
49 Intelligence," rightly intended to focus on unwanted bias in certain
50 AI-driven decision-making. Unfortunately, it has become increasingly
51 clear that the application of SB24-205 inadvertently imposes high costs
52 on the State, local governments, and covered businesses. Across State
53 agencies, the estimated fiscal impact for implementation of SB24-205 is
54 near \$5 million annually, which will otherwise require supplemental
55 appropriations for this fiscal year due to the law's February 1, 2026
56 effective date.

1 I was pleased to work together with the sponsor and the Attorney
2 General on a joint letter indicating our shared commitment to ensuring
3 this AI law works for Colorado, but these changes haven't happened yet
4 and time is running short. Given the widespread agreement that changes
5 need to be made and the short timeline between the start of session and
6 the implementation date, I am asking the General Assembly to work
7 toward solutions that reduce the fiscal and negative economic impact, and
8 streamline the requirements of SB24-205 so that it meets the objectives
9 of consumer protection and anti-discrimination while being simpler and
10 less expensive to implement, and to consider providing additional time
11 for implementation.

12
13 As the State faces budgetary pressures, it is my goal to continue to
14 deliver critical services to Coloradans while implementing cost saving
15 measures. In recognition of this Executive Order's request to the General
16 Assembly to act, I am also taking executive action by ordering State
17 agencies and departments managed by Governor-appointed executives to
18 reduce costs by implementing a hiring freeze, effective August 27, 2025,
19 and extending through the end of this year.

20
21 III. Proclamation

42 necessary to ensure public safety and the safe and continuous operations
43 of facilities in which people are in the care and custody of the State, and
44 to implement changes to safety net programs required by H.R. 1.

45

46 C. Additionally, I urge all other elected officials in the executive branch
47 to implement a hiring freeze in their agencies to ensure that State
48 government fulfills its obligations to reduce costs in our control and to
49 further reduce the need for more disruptive cost-saving measures that will
50 impact Coloradans.

53 effect until December 31, 2025, subject to the exemptions listed in

REPORT(S) OF COMMITTEE(S) OF REFERENCE

APPROPRIATIONS

After consideration on the merits, the Committee recommends the following:

HB25B-1008 be amended as follows, and as so amended, be referred to the Committee of the Whole with favorable recommendation:

Amend printed bill, strike everything below the enacting clause and substitute:

"SECTION 1. In Colorado Revised Statutes, 6-1-1702, **amend** (1), (2) introductory portion, (3)(a), (4)(a) introductory portion, (5) introductory portion, and (7) as follows:

6-1-1702. Developer duty to avoid algorithmic discrimination - required documentation. (1) On and after ~~February 1, 2026~~ ~~OCTOBER 1, 2026~~, a developer of a high-risk artificial intelligence system shall use reasonable care to protect consumers from any known or reasonably foreseeable risks of algorithmic discrimination arising from the intended and contracted uses of the high-risk artificial intelligence system. In any enforcement action brought on or after ~~February 1, 2026~~ ~~OCTOBER 1, 2026~~, by the attorney general pursuant to section 6-1-1706, there is a rebuttable presumption that a developer used reasonable care as required under this section if the developer complied with this section and any additional requirements or obligations as set forth in rules promulgated ~~ADOPTED~~ by the attorney general pursuant to section 6-1-1707.

(2) On and after ~~February 1, 2026~~ ~~OCTOBER 1, 2026~~, and except as provided in subsection (6) of this section, a developer of a high-risk artificial intelligence system shall make available to the deployer or other developer of the high-risk artificial intelligence system:

(3) (a) Except as provided in subsection (6) of this section, a developer that offers, sells, leases, licenses, gives, or otherwise makes available to a deployer or other developer a high-risk artificial intelligence system on or after ~~February 1, 2026~~ ~~OCTOBER 1, 2026~~, shall make available to the deployer or other developer, to the extent feasible, the documentation and information, through artifacts such as model cards, dataset cards, or other impact assessments, necessary for a deployer, or for a third party contracted by a deployer, to complete an impact assessment pursuant to section 6-1-1703 (3).

(4) (a) On and after ~~February 1, 2026~~ ~~OCTOBER 1, 2026~~, a developer shall make available, in a manner that is clear and readily available on the developer's website or in a public use case inventory, a statement summarizing:

1 (5) On and after ~~February 1, 2026~~ OCTOBER 1, 2026, a developer
2 of a high-risk artificial intelligence system shall disclose to the attorney
3 general, in a form and manner prescribed by the attorney general, and to
4 all known deployers or other developers of the high-risk artificial
5 intelligence system, any known or reasonably foreseeable risks of
6 algorithmic discrimination arising from the intended uses of the high-risk
7 artificial intelligence system without unreasonable delay but no later than
8 ninety days after the date on which:

9 (7) On and after ~~February 1, 2026~~ OCTOBER 1, 2026, the attorney
10 general may require that a developer disclose to the attorney general, no
11 later than ninety days after the request and in a form and manner
12 prescribed by the attorney general, the statement or documentation
13 described in subsection (2) of this section. The attorney general may
14 evaluate such statement or documentation to ensure compliance with this
15 part 17, and the statement or documentation is not subject to disclosure
16 under the "Colorado Open Records Act", part 2 of article 72 of title 24.
17 In a disclosure pursuant to this subsection (7), a developer may designate
18 the statement or documentation as including proprietary information or
19 a trade secret. To the extent that any information contained in the
20 statement or documentation includes information subject to
21 attorney-client privilege or work-product protection, the disclosure does
22 not constitute a waiver of the privilege or protection.

23 **SECTION 2.** In Colorado Revised Statutes, 6-1-1703, **amend** (1),
24 (2)(a) introductory portion, (3)(a), (3)(c), (3)(g), (4)(a) introductory
25 portion, (4)(b) introductory portion, (5)(a) introductory portion, (7), and
26 (9) as follows:

27 **6-1-1703. Deployer duty to avoid algorithmic discrimination**
28 **- risk management policy and program.** (1) On and after ~~February 1,~~
29 ~~2026~~ OCTOBER 1, 2026, a deployer of a high-risk artificial intelligence
30 system shall use reasonable care to protect consumers from any known or
31 reasonably foreseeable risks of algorithmic discrimination. In any
32 enforcement action brought on or after ~~February 1, 2026~~ OCTOBER 1,
33 2026, by the attorney general pursuant to section 6-1-1706, there is a
34 rebuttable presumption that a deployer of a high-risk artificial intelligence
35 system used reasonable care as required under this section if the deployer
36 complied with this section and any additional requirements or obligations
37 as set forth in rules promulgated ADOPTED by the attorney general
38 pursuant to section 6-1-1707.

39 (2) (a) On and after ~~February 1, 2026~~ OCTOBER 1, 2026, and
40 except as provided in subsection (6) of this section, a deployer of a
41 high-risk artificial intelligence system shall implement a risk management
42 policy and program to govern the deployer's deployment of the high-risk
43 artificial intelligence system. The risk management policy and program
44 must specify and incorporate the principles, processes, and personnel that
45 the deployer uses to identify, document, and mitigate known or
46 reasonably foreseeable risks of algorithmic discrimination. The risk
47 management policy and program must be an iterative process planned,
48 implemented, and regularly and systematically reviewed and updated over
49 the life cycle of a high-risk artificial intelligence system, requiring
50 regular, systematic review and updates. A risk management policy and
51 program implemented and maintained pursuant to this subsection (2) must
52 be reasonable considering:

53 (3) (a) Except as provided in subsections (3)(d), (3)(e), and (6) of
54 this section:

1 (I) A deployer, or a third party contracted by the deployer, that
2 deploys a high-risk artificial intelligence system on or after ~~February 1,~~
3 ~~2026~~ OCTOBER 1, 2026, shall complete an impact assessment for the
4 high-risk artificial intelligence system; and

5 (II) On and after ~~February 1, 2026~~ OCTOBER 1, 2026, a deployer,
6 or a third party contracted by the deployer, shall complete an impact
7 assessment for a deployed high-risk artificial intelligence system at least
8 annually and within ninety days after any intentional and substantial
9 modification to the high-risk artificial intelligence system is made
10 available.

11 (c) In addition to the information required under subsection (3)(b)
12 of this section, an impact assessment completed pursuant to this
13 subsection (3) following an intentional and substantial modification to a
14 high-risk artificial intelligence system on or after ~~February 1, 2026~~
15 OCTOBER 1, 2026, must include a statement disclosing the extent to which
16 the high-risk artificial intelligence system was used in a manner that was
17 consistent with, or varied from, the developer's intended uses of the
18 high-risk artificial intelligence system.

19 (g) On or before ~~February 1, 2026~~ OCTOBER 1, 2026, and at least
20 annually thereafter, a deployer, or a third party contracted by the deployer,
21 must review the deployment of each high-risk artificial intelligence
22 system deployed by the deployer to ensure that the high-risk artificial
23 intelligence system is not causing algorithmic discrimination.

24 (4) (a) On and after ~~February 1, 2026~~ OCTOBER 1, 2026, and no
25 later than the time that a deployer deploys a high-risk artificial
26 intelligence system to make, or be a substantial factor in making, a
27 consequential decision concerning a consumer, the deployer shall:

28 (b) On and after ~~February 1, 2026~~ OCTOBER 1, 2026, a deployer
29 that has deployed a high-risk artificial intelligence system to make, or be
30 a substantial factor in making, a consequential decision concerning a
31 consumer shall, if the consequential decision is adverse to the consumer,
32 provide to the consumer:

33 (5) (a) On and after ~~February 1, 2026~~ OCTOBER 1, 2026, and
34 except as provided in subsection (6) of this section, a deployer shall make
35 available, in a manner that is clear and readily available on the deployer's
36 website, a statement summarizing:

37 (7) If a deployer deploys a high-risk artificial intelligence system
38 on or after ~~February 1, 2026~~ OCTOBER 1, 2026, and subsequently
39 discovers that the high-risk artificial intelligence system has caused
40 algorithmic discrimination, the deployer, without unreasonable delay, but
41 no later than ninety days after the date of the discovery, shall send to the
42 attorney general, in a form and manner prescribed by the attorney general,
43 a notice disclosing the discovery.

44 (9) On and after ~~February 1, 2026~~ OCTOBER 1, 2026, the attorney
45 general may require that a deployer, or a third party contracted by the
46 deployer, disclose to the attorney general, no later than ninety days after
47 the request and in a form and manner prescribed by the attorney general,
48 the risk management policy implemented pursuant to subsection (2) of
49 this section, the impact assessment completed pursuant to subsection (3)
50 of this section, or the records maintained pursuant to subsection (3)(f) of
51 this section. The attorney general may evaluate the risk management
52 policy, impact assessment, or records to ensure compliance with this part
53 17, and the risk management policy, impact assessment, and records are
54 not subject to disclosure under the "Colorado Open Records Act", part 2
55 of article 72 of title 24. In a disclosure pursuant to this subsection (9), a
56 deployer may designate the statement or documentation as including

1 proprietary information or a trade secret. To the extent that any
2 information contained in the risk management policy, impact assessment,
3 or records includes information subject to attorney-client privilege or
4 work-product protection, the disclosure does not constitute a waiver of
5 the privilege or protection.

6 **SECTION 3.** In Colorado Revised Statutes, 6-1-1704, **amend** (1)
7 as follows:

9 **consumer.** (1) On and after ~~February 1, 2026~~ OCTOBER 1, 2026, and
10 except as provided in subsection (2) of this section, a deployer or other
11 developer that deploys, offers, sells, leases, licenses, gives, or otherwise
12 makes available an artificial intelligence system that is intended to
13 interact with consumers shall ensure the disclosure to each consumer who
14 interacts with the artificial intelligence system that the consumer is
15 interacting with an artificial intelligence system.

16 **SECTION 4. Act subject to petition - effective date.** This act
17 takes effect at 12:01 a.m. on the day following the expiration of the
18 ninety-day period after final adjournment of the general assembly; except

 18
 19 Pursuant to HR25B-1001, the resolution was printed in the House
 20 Journal:

21
 22 WHEREAS, On April 11, 2025, former Representative Ryan
 23 Armagost, then serving as Minority Whip and Chair of the House
 24 Workplace Harassment Committee, which is the body charged with
 25 investigating workplace harassment complaints, took a photograph of a
 26 colleague, without her knowledge, while she stood in the well of the
 27 House chamber to debate her bill, and former Representative Ryan
 28 Armagost immediately shared that photograph in a Republican caucus
 29 group chat with comments that were subsequently deleted, prompting
 30 degrading and sexualizing remarks from multiple legislators who
 31 compared their colleague to a prostitute and stripper, made jokes about
 32 the "oldest profession", and further mocked her appearance; and

33
 34 WHEREAS, That photograph was subsequently disseminated on
 35 social media by anonymous accounts, accompanied by vulgar
 36 commentary, and comments on the social media posts quickly escalated
 37 into racist and misogynistic attacks, rape threats, and violent threats
 38 directed against the colleague and her young children; and

39
 40 WHEREAS, Former Representative Ryan Armagost's conduct was
 41 a violation of the General Assembly's Workplace Expectations Policy,
 42 which applied to him as a member, a member who was a leader of his
 43 caucus and the Chair of the House Workplace Harassment Committee, a
 44 position charged with upholding the very standards of safety and respect
 45 that his actions undermined; and

46
 47 WHEREAS, Former Representative Ryan Armagost announced
 48 his resignation on August 21, 2025, shortly after news of a resolution to
 49 censure him became public, and his resignation does not erase the harm
 50 caused; and

51
 52 WHEREAS, The House of Representatives declares that former
 53 Representative Ryan Armagost behaved inappropriately and failed to
 54 uphold the honor, dignity, and respect of the House of Representatives,
 55 which reflects poorly upon the state of Colorado and its citizens; and

1 WHEREAS, The House of Representatives finds that such conduct
2 can create an unsafe and hostile workplace and can have a chilling effect
3 on women serving in elected office; and
4

5 WHEREAS, The House of Representatives finds that former
6 Representative Ryan Armagost failed to uphold decorum of the House of
7 Representatives, and his actions were unbecoming of a member of this
8 body; now, therefore,
9

10 *Be It Resolved by the House of Representatives of the Seventy-fifth*
11 *General Assembly of the State of Colorado:*
12

13 (1) That the House of Representatives condemns the actions of
14 former Representative Ryan Armagost as conduct incompatible with the
15 dignity of this body; and
16

17 (2) That the House of Representatives affirms its ongoing
18 responsibility to provide a safe, respectful, and professional workplace for
19 all members, staff, and visitors and declares that harassment and
20 misogyny will never be tolerated in this body; and
21

22 (3) That every member of the House of Representatives commits
23 to treating colleagues with dignity and respect, ensuring that
24 disagreements remain rooted in policy and debate rather than in personal
25 attacks, harassment, or demeaning conduct.
26

27 *Be It Further Resolved*, That the Chief Clerk of the House of
28 Representatives print this Resolution in its entirety in the House Journal.
