## Memorandum

January 12, 2026

**TO:** Committee Members  
**FROM:** Dan Graeve, Research Analyst, 303-866-3446  
**SUBJECT:** House Transportation, Housing & Local Government Committee Oversight

This memorandum provides information about the House Transportation, Housing & Local Government Committee's oversight role for executive branch departments, including at the joint hearings pursuant to the State Measurement for Accountable, Responsive, and Transparent Government Act (SMART Act). It also lists reports due to the committee in 2026.

### Department Oversight at SMART Act Hearings

The House THLG Committee, the Senate Transportation and Energy Committee, and the Senate Local Government and Housing Committee receive annual briefings from these departments at their joint SMART Act hearings.

#### Department of Transportation

The [Colorado Department of Transportation's](#) (CDOT) is responsible for the construction and maintenance of the state highway system, which includes federal interstate highways, U.S. highways, state highways, and bridges. CDOT provides strategic planning for the statewide transportation system and is tasked with promoting coordination between different modes of transportation.

#### Department of Local Affairs

The [Department of Local Affairs](#) is responsible for building community and local government capacity by providing training, technical, and financial assistance to localities.

#### Additional SMART Act Reporting

The committee will receive updates on the following programs during the Joint Transportation SMART Act hearing: Front Range Passenger Rail District and Regional Transportation District Eco Pass Program. The committee will also receive an update on the Just Transition Cash Fund in the Department of Labor and Employment during the Joint Local Government SMART Act hearing.

## Required Reports

Executive departments and agencies are required to provide a number of reports to committees of reference. The following tables list one-time and limited reports that the committee can expect to receive during the 2026 session, and reports prepared for the committee annually.
